### Room

432 Lyons  
 442 Lyons  
 442 Lyons  
 210 Wood  
 432 Lyons

\* This is a supervised independent study course.

**Note:** Some rotations conflict with regularly scheduled classes. When this happens, the student is expected to report for the assigned rotation. Faculty is aware of the occasional conflict and tries to make appropriate accommodations in testing schedules. Contact the individual course director to make arrangements if you are assigned a rotation that conflicts with a scheduled examination; in most cases you will be permitted to take the examination ahead of schedule.
