PERI 329 Periodontics II	3.0	Dr. Sharon Lanning	433 Lyons

Note: Some rotations may conflict with regularly scheduled classes. When this happens, the student is expected to report for the assigned rotation. Faculty is aware of the occasional conflict and tries to make appropriate accommodations in testing schedules. Contact the individual course director to make arrangements if you are assigned a rotation that conflicts with a scheduled examination; in most cases you will be permitted to take the examination ahead of schedule.
